As always we are so happy to receive feedback about your school's Milk Program. Special thanks to Immaculate Heart of Mary School, Boissevain School, Philomene Chartrand School, Mitchell Elementary School, and École Provencher for sharing their School Milk Spirit Week pictures. It is truly our pleasure to be able to support this fun week! Bravo on all of your efforts. It sounds like everyone involved has had a great time!

2009 National World School Milk Day Poster Contest

On behalf of School Milk Programs across Canada, I'd like to send out a BIG "thank-MOO" to all students in the province who participated in what will be the final National World School Milk Day Poster Contest. The Manitoba winner is Veronica Kras a grade 6 student at Holy Ghost School. Veronica's artwork, along with the winning artwork from each of the other provinces in Canada, will be featured on the 2010 World School Milk Day poster. Posters will be distributed to elementary schools participating in the School Milk Program in the fall. Thank you to all the schools who have submitted fabulous artwork over the years. Students in Manitoba have always represented our province very well.

Cowgratulations to all!

Magnificent Milk Moover Award

Don't forget to nominate the special person or people who make your school's Milk Program a success. Past nominations for Magnificent Milk Moover have included milk delivery persons, student helpers, parent volunteers, cafeteria operators, local businesses or grocery stores. Help us to honour those who go above and beyond to give your school a fantastic milk program. Nomination forms have already been mailed out. If you would like a nomination form please go on-line to www.milk.mb.ca/school to find and print a copy.

All 15th Anniversary Schools have received a framed "Certificate of Achievement." In addition, information packages have been sent to Divisional Superintendents and School Trustees to inform them of their schools' achievement and commitment to healthy eating!
